When one word changes their world,

# CANCER*care*<sup>®</sup>

makes all the difference

With CancerCare,  
the difference comes from:

- Professional oncology social workers
- Free counseling
- Education and practical help
- Up-to-date information
- CancerCare for Kids<sup>®</sup>

For needs that go beyond medical care, refer your patients and their loved ones to CancerCare.

CancerCare's free services help people cope with the emotional and practical concerns arising from a cancer diagnosis and are integral to the standard of care for all cancer patients, as recommended by the **Institute of Medicine**.
