When one word changes their world,
CANCERCare®

makes all the difference

With CancerCare, the difference comes from:

• Professional oncology social workers
• Free counseling
• Education and practical help
• Up-to-date information
• CancerCare for Kids®

For needs that go beyond medical care, refer your patients and their loved ones to CancerCare.

CancerCare's free services help people cope with the emotional and practical concerns arising from a cancer diagnosis and are integral to the standard of care for all cancer patients, as recommended by the Institute of Medicine.
